

CHUKWU EMMANUEL EKE

Chemical Engineering Undergraduate & Frontend Web Developer

Aba / Owerri, Nigeria (+234) 08070743849, 09037616998 Chukwuemmanueleke123@gmail.com

PROFESSIONAL SUMMARY

Analytical Chemical Engineering student with strong hands-on expertise in frontend web development and user interface design. Proven leadership experience directing academic research initiatives and managing departmental logistics. Proficient in HTML5, CSS3, and modern JavaScript (ES6+), combined with process modeling and safety standards, aiming to deliver intuitive digital interfaces and technical solutions across software and engineering domain sectors.

TECHNICAL & CORE COMPETENCIES

Frontend Development:

HTML5

CSS3

JavaScript (ES6+)

Responsive Design

DOM Manipulation

Engineering & Operations: Linear Programming, Process Optimization, Safety Protocols

Certifications: Occupational Safety and Health Association (OSHA) Standard

Soft Skills: Problem-Solving, Leadership, Technical Communication, Cross-functional Collaboration

Languages: English (Fluent), Igbo (Native)

EDUCATION

Bachelor of Engineering (B.Eng.) in Chemical Engineering

2022 – 2027 (Expected)

Federal University of Technology, Owerri (FUTO), Imo State, Nigeria

Senior Secondary Certificate Examination (SSCE)

2014 – 2020

National High School, Aba, Abia State, Nigeria

LEADERSHIP & PROFESSIONAL EXPERIENCE

Director of Research

2025 – Present

Nigerian Society of Chemical Engineers (NSChE), FUTO Chapter

- Spearhead departmental research initiatives, guiding student project frameworks and technical methodologies.
- Organize technical seminars and academic workshops to enhance research excellence within the department.

Course Representative

2022 – Present

Federal University of Technology, Owerri (FUTO)

- Serve as the primary liaison between faculty professors and a large cohort of engineering students.
- Streamline academic scheduling, lecture distribution, and student issue resolution efficiently.

CERTIFICATIONS & TRAINING

Health, Safety, and Environment (HSE) Certification

2025

Occupational Safety and Health Association (OSHA)
